

FAMILY READING LIST

This has been a top resource for years. We keep going back to it time and again. It's important that we are healed so that our families can thrive.

If you want to shift your mindset and make the most of the moments you have with your child, this is a must read.

If you need a little more love in your life and don't want to overcomplicate it, check out these great resources from Bob Goff. He makes love as simple as doing life. He believes in whimsy, adventure, and simple actions. These books are sure to leave a smile on your face as they call you and your family to live life on purpose:

More great reads with Dr. Henry Cloud. It will challenge how you have done relationships and help you re-imagine a healthier way forward. And if you want to get more specific and apply those healthy boundaries within your home, check out the kids and/or marriage edition.
